Knife sharpener Bobet

Number	Bobet9980
Condition:	New
Availability:	In Stock

Self-determines the correct angle of the knife blade, held in the hand or attached to the edge of the table, does not require special sharpening skills. Replaceable sharpening parts. Color - yellow.

The easiest way to quickly sharpen knives.

It is used in exactly the same way as a traditional sharpener, with no training required.

It allows you to straighten and sharpen the cutting edge of the knife in one step

Grinding knife points is a process that ensures that the cutting edge stays sharp for as long as possible.

SHARP'EASY is sold with a stainless steel bracket (support in picture 1) and without a table attachment (shown in picture 1)

Instructions for sharpening knives using the BOBET sharpener (video in English):
