We offer Lava company vacuum containers.

The following products can be vacuum packed into these containers: tea, herbs, bread, biscuits, chips, vegetables, salad, fruit, cheese, sausage, etc. boiled foods.

The dishes are made of high-quality plastic that does not contain the chemical BPA.

Products stored in these vacuum containers will always remain fresh and fragrant.

Suitable for use at the following temperatures (–30 °C to +130 °C).

The vacuuming process takes place with la.va vacuum cleaners or a hand pump.
